"If you've EVER been a part of the Network, or if you've NEVER been a part, we invite you to join us as we celebrate 10 years of service in Natick!"

FREE! (Donations gladly accepted.)

Please call to register: (508) 655-2557.

Natick Early Childhood Network provides a variety of supportive and educational programs for families with children prenatal through kindergarten. We also offer comprehensive information and referral services, as well as a parent lending library. This project is supported through a grant from the Massachusetts Department of Education and is administered locally by ACEPS Education Collaborative.
