

Natick Early Childhood Network

. . . putting Children First

December 14, 2009

Dear NECN Families:

In October we requested that NECN families consider reading our information online to save us the costs of printing and mailing our bimonthly newsletter and program information.

- About 60 families opted out of receiving our printed newsletter. They have registered at www.natickearlychildhood.org to receive online updates from us and will read our newsletter and program information online. **THANK YOU!**
- About 6 families provided a subscription donation of \$4.00, because they prefer to read a printed version of our newsletter even though they have consistent online access in their homes. **THANK YOU!**
- A handful of families let us know that they do not have online access in their homes. They will continue to receive a complimentary printed version of our newsletter via U.S. mail. **THANK YOU** for letting us know!

We are still printing and mailing about 500 newsletters to Natick families via U.S. mail, which costs about \$220 in postage alone every two months. **If you have forgotten to let us know that we can remove you from our mailing list, please call us as soon as possible to let us know: 508-655-2557.** Our website distribution list is not linked to our US mailing list, so we only know that you're reading online if we hear from you.

If you do have web access but prefer to receive a printed newsletter via U.S. mail, please consider sending us the suggested subscription donation of \$4.00 to cover our costs.

Thank you for your attention to this cost-saving effort!

Sincerely,

Judy Dixon
Program Coordinator
