2009-2010 Natick Early Childhood Network Volunteers

How many volunteers make a supportive community network? Take a look at all the individuals who helped us out this year. Whether they were stuffing envelopes, taking pictures, reorganizing the craft shelves, facilitating playgroups, making phone calls, preparing crafts at home, helping at events, providing free child care for workshop attendees, supporting incoming kindergarten parents, or coordinating fundraising activities, each of them was an important part of the web that ties our network together! Thank you, all!
