Tots & Tales Playgroup for kids age 2 - 6-yrs. with a grownup caregiver

Once a month we'll offer this literacy-
based playgroup, to help you share
books with your young children!
We'll play, read stories, and do a
creative activity. Each family will
receive a book to take home at the
end of the group, so that you can
connect the experience to home and
continue the book-reading fun!

Each group meets one Saturday
morning a month
10:30 am to 12:00 noon
at the Morse Institute Library
